WHOLESALE GRASS FED BEEF AND PORK

Are you a meat retailer or butcher? Do you have freezer space to display some of our high end quality products?

We can provide you with custom wrapped (and priced) grass fed steaks including striploin, rib-eye, sirloin and tenderloin, plus ground beef, roast, stew beef, and sausage. Our products are cryovaced, weighted, retail priced and labeled. We meet all provincial requirements.

You might also be interested in some of our natural pork products like butterflied loin chops, bacon, ham steaks, and mild Italian or farm style sausage.

You get a 30% mark-up on all products, built into your discounted pricing. Our mobile freezer truck delivers your products to you safely, and once we stock your location you have 30 days to pay. We'll also add you to the "Where to Buy" section of our website. This will make it easy for customers to find you.
